## Finnish Lapphund Herding Taster Day

The SFLS have arranged with Shepherdess, Ros Edwards for lapphunds to have a taster day of sheep herding on **Sunday 12<sup>th</sup> September** to see if they have any natural herding ability. Dogs that display the necessary instinct and control will receive a certificate.

For the safety of the sheep, the dogs will be worked on the outside of a pen containing sheep, if dogs display the necessary ability and control then there maybe opportunities to work direct with some sheep, but that will be at the decision of the trainer. Each half day session will provide two x fifteen minute one to one sessions for each handler and dog, and of course all handlers and spectators can listen to other sessions to learn etc.

For handlers and dogs who wish to take their training further there will be opportunity to sign up for individual training with Ros.

A light lunch and refreshments are provided.

The Venue is;
